Non-Functional

Compatibility

CJS29FP-665: Check compatibility with Google Chrome

CJS29FP-667: Check compatibility with Internet Explorer

CJS29FP-668: Check compatibility with Google Chrome from an Android device

CJS29FP-747: Check compatibility with Mozilla Firefox

Connectivity

CJS29FP-673: No internet connection when adding a new item to the cart

CJS29FP-674: No internet connection when deleting a product

CJS29FP-675: No connection while trying to sign in

GUI

CJS29FP-670: Contact informations

Security

CJS29FP-642: Copy the password

CJS29FP-643: Check the address bar

UI

CJS29FP-645: Resizing the window to different sizes

CJS29FP-646: Check the terms and conditions text

CJS29FP-647: Dropdown lists

CJS29FP-648: Scroll down the webpage

CJS29FP-650: Scroll up the webpage

Usability

CJS29FP-672: User account name

Functional

Wishlist

CJS29FP-676: Wishlist

Products filters

CJS29FP-677: Filter products

CJS29FP-678: Filter products directly by a subcategory

CJS29FP-679: Total products in a category

LogIn

CJS29FP-680: Login without information

CJS29FP-681: Login without e-mail

CJS29FP-682: Login without password

CJS29FP-683: Sign in with valid datas

CJS29FP-684: Incorrect e-mail, incorrect password

CJS29FP-685: Correct e-mail, incorrect password

CJS29FP-686: Incorrect e-mail, correct password

CJS29FP-687: Going back to the login page after successful authentification

CJS29FP-688: Remembering previous logged in user

CJS29FP-689: Password recovery

Search Bar

CJS29FP-690: Search for a product

CJS29FP-691: Search with an empty field

LogOut

CJS29FP-692: Signing off

CJS29FP-693: Shopping cart is saved after log out

CJS29FP-694: Successful logout

Make an account

CJS29FP-695: Fields that need to be filled

CJS29FP-696: Make an account without any information

CJS29FP-697: Make an account just with e-mail information

CJS29FP-698: Make an account with e-mail and password information

CJS29FP-699: Complete all mandatory fields, the passwords is too short

CJS29FP-700: Complete all mandatory fields, the e-mail is to short

CJS29FP-701: The passwords do not match

CJS29FP-702: Complete the mandatory fields, but names are too short

CJS29FP-703: Make an account without names

CJS29FP-704: Make an account without phone number

CJS29FP-705: New account with wrong phone number

CJS29FP-706: The "sint de acord" checkbox

CJS29FP-707: "I am not a robot" checkbox

CJS29FP-708: Happy case registration

CJS29FP-709: No confirmation mail

CJS29FP-710: Create new account with incorrect e-mail format

Modify account

CJS29FP-711: Delete user telephone number

CJS29FP-712: Modify user telephone number - short

CJS29FP-713: Modify user telephone number - minimal length

CJS29FP-714: Modify user telephone number - normal length

CJS29FP-715: Modify user telephone number - alphanumeric

CJS29FP-716: Modify user telephone number - long

CJS29FP-717: Modify password - incorrect old password

CJS29FP-718: Modify password - short

CJS29FP-719: Modify password - minimal length

CJS29FP-720: Modify password - greater than minimal requirement

CJS29FP-721: Modify password - Maximal length

CJS29FP-722: Modify password - Greater length than the maximal allowed

CJS29FP-723: Modify password - special characters

CJS29FP-724: Forgot password

CJS29FP-725: Forgot password - modify password

Add to shopping cart

CJS29FP-726: Add a product to the shopping cart

CJS29FP-727: Showing details

CJS29FP-728: Add same product to the cart multiple times

CJS29FP-729: Shopping cart - a product with 0 quantity

CJS29FP-730: Shopping cart - Change a product quantity to real numbers

CJS29FP-731: Shopping cart - change a product quantity to special characters

CJS29FP-732: Shopping cart - change a product quantity to alphanumeric characters
